Invent a Toy

Directions: The author mentioned that it was quite common for children to receive homemade toys as gifts in the 1930s. Invent a toy that could be given as a gift in the 1930's. Illustrate a sketch below of a toy that is only made of **rope**, **strings**, **matches**, **wild chestnuts**, **beans**, **wildflowers and stones** as described in Chapter Three. Use as many of the items as needed. Give your toy a title and *label the parts of the toy*.
