<p><b>Exhibit 1</b> One black girl Group consisting of both men and women of varying age building in background military/police? School books, purses, basket Flag pole, outdoors</p>	<p>appears that a group is following the black girl and are unhappy with her. A couple of ladies are staring at her suspiciously and a couple of girls are yelling at her. The police may be doing crowd control. It seems to be taking place in front of a school. Perhaps I'm to feel sorry for the black girl or maybe she did something wrong?</p>	<p>It reminds me of stories I hear about segregation. It looks like it takes place in past. People were emotional about the changes going on. Definitely looks different in schools now.</p>
