

Name: _____

Assignment: Locate an article in a newspaper, magazine, book, or on the internet that has a graph attached to it. Read the article, then list the non-fiction features and explain *specifically* what you learned from it. (Graphs: pie, line, and bar only)

Title of Article: _____

Author: _____

Source of Graph: _____

| Text Feature | What information did you learn? |
|---|--|
| <i>Example: Title "Frequency of Hurricanes"</i> | <i>The main idea of the graph is how often hurricanes occur in Florida</i> |
| | |
